[HICDEP](#) stands for **HIV Cohorts Data Exchange Protocol**.

On this platform, you can browse, search and navigate through the following versions of HICDEP:

- [HICDEP 1.50 released Sep 13 2011 \(PDF?\)](#)
- [HICDEP 1.60](#) (*draft* status)

Participate!

HICDEP is and will always remain a work in progress ([details here](#)). As the HIV field evolves, changes are made and new tables need to be specified. You can actively **participate in the development of the HICDEP standard** by posting questions and answers in the [discussion forum](#). Note that due to recent spambot attacks you need to [register](#) for this.

Contact

If you have any questions or comments regarding HICDEP or this platform, you may discuss them in the [discussion forum](#). You may also send email to [info @ hicdep.org](mailto:info@hicdep.org).

How to use this platform effectively
